REVS/HOLIDAY GIFT GUIDE

DRIVING TOURS ▶ Distinctive Driving Tours hosts ride-and-drive programs for consumers modeled on those given to auto journalists. The company matches you with a car, a route and a resort destination. Just one example is the Nürburgring package (\$8,000), three days at a five-star resort and driving time on the legendary German track. \$1,000-\$8,000+, www.distinctivedrivingtours.com

RAT FINK SHIFT KNOB ▶

The Rat Fink was created by the late Ed "Big Daddy" Roth of Kustom Kulture fame. It's said that the hot-rod icon was inspired by Roth's hatred for Mickey Mouse. Now, Rat Fink helps you get into gear with this colorful heavy-duty resin shift knob (\$30). Nylon bushings and set screws ensure a universal fit. You can also buy a Rat Fink coffee mug (\$15) and a Rat Fink neon clock (\$100). www.calcarcover.com

DRIVING TEST ▶ The Kiwi is an interactive device for traditional vehicles that scores your driving for fuel economy. It teaches you how to increase your efficiency based on different aspects of your driving style. \$289, www.juicedhybrid.com

DREAM CARS ▶

Gotham Dream Cars in Manhattan rents exotic cars (Ferrari, Lamborghini, Aston Martin, Bentley, Maserati) for \$895-\$3,950 a day, with door-to-door delivery and pick-up, fuel, tolls, GPS, personalized driving routes and customized music CDs. Also available are driving tours and club memberships. www.gothamdreamcars.com
